

Missionary Orientation Program

2019 Registration Form

Please read the following MOP information:

1. The dates for MOP are Friday, May 31 after 7:00 p.m. to Friday, June 7 at breakfast.
2. The cost for MOP is \$195 per person or \$375 per couple and includes lodging, all meals and seminar materials. As a participant, you will be expected to attend the entire program. A minimum \$25 deposit must accompany this registration form to hold a place for you. Canadians please register with MSC; US residents with CMML.
3. **There is no programming for children.** In the past, families have brought babysitters to enable husband and wife to attend the MOP seminars. The cost for children is \$60 and for adults, not part of MOP, is \$100. Remittances should be made payable to **Christian Missions in Many Lands** or **MSC Canada** as appropriate to your registration.
4. MOP is held at Greenwood Hills, 7062 Lincoln Way East, Fayetteville, PA 17222 Tel. 717-352-2150
5. Transportation to Greenwood Hills is best achieved by automobile. The closest airport is Harrisburg (MDT). Baltimore/Washington (BWI) is farther. Pickup and return service to these airports is available but costly (\$50-\$80 each way). In consideration of the transport service from the airports, try to arrange for arrival during daylight hours.
6. Kindly prepare (word processing) and send electronically, a brief personal introductory paragraph and testimony about yourself. This will be compiled and included in the notebook that each participant will be given. Limit this to no more than 200 words. Please send it to the following e-mail address: pcparsons@cmml.us
7. You will find a form on the back side that is to be filled out by an elder from your assembly. When you have finished filling out your information, tear off the bottom portion and give the completed form to an elder with a stamped envelope and the address so that it may be returned to CMML or MSC. Keep the top portion for your reference.
8. All seminar notes and handouts will be provided to you electronically before you arrive at MOP. Use of laptops and tablets are highly encouraged.
