As of October 8th, Kait is finished with her work at Sacred Heart Medical Center Emergency Department and is so grateful for the relationships that were built and the amazing experience she has gained. Our departure from the states is November 5th. Please pray as we spend a few weeks visiting dear friends and loved ones and transition to new work in Zambia.

If you are currently supporting us financially through Proclaim we ask that you send support through CMML. Automatic fund transactions through Proclaim will end October 13th.
